September/1979

Dear Denisonian:

This year's edition of the Freshmen Directory includes photos of the class of '83, faculty members, and descriptions of several DCGA and independent organizations. Aside from the obvious advantages of introducing the incoming students to the Denison Community, we feel it is important for you to become aware of the many campus organizations.

After a brief inspection of this book, you should begin to get a sense of the wide range of activities that this community has to offer. Take a few minutes to read what each organization has to offer and see what is best for you. Remember, these groups need your enthusiastic participation. No matter how large or small your time commitment, involve yourself.

Sincerely,

A handwritten signature in cursive script that reads "Samuel Lundquist".

Association

## DCGA COMMITTEES:

CLASS COUNCILS

These councils consist of six officers from each class, responsible for planning social and intellectual activities that directly meet the needs of their fellow classmates at each stage of their Denison career. Along with DCGA committees, the councils are responsible for organizing Homecoming, Parents' Weekends, Senior Graduation Week, and class social functions.

Dusty Durston, Box 1653

COMMUNICATIONS COMMITTEE

As one of the newer DCGA committees, Communications strives to keep Denisonians informed of events happening both on and off the campus. Working within the Senate and with other DCGA organizations, we have recently devised a bulletin board system which will accommodate the communications needs of these groups in the Student Union. We also have our own bulletin board and calendar which inform students of daily, weekly and monthly occurrences. Those interested in public relations should contact the Speaker of the Senate or the Chairperson of the Communications Committee.

Chairman - Dave Bussan, Box 523

FINANCE COMMITTEE

The Committee is charged with keeping an accurate account on disbursement of the DCGA budget. Regular meetings are held to consider requests for funds throughout the school year. A recommendation is then made to Student Senate for final consideration.

Contact: Susan Altemus, Box 348

PROJECTS COMMITTEE

Our committee is one of the most flexible committees in DCGA. We deal with the concerns and activities of the student body. These include women's health services, Whisler Hospital, Environmental Week, student safety, co-ed living, and student-faculty relations. We also sponsor various symposiums. Because the committee works on projects involving students, we need your input--so why not lend a hand?

Anne E. Bovaird, Box 297

RECREATION COMMITTEE

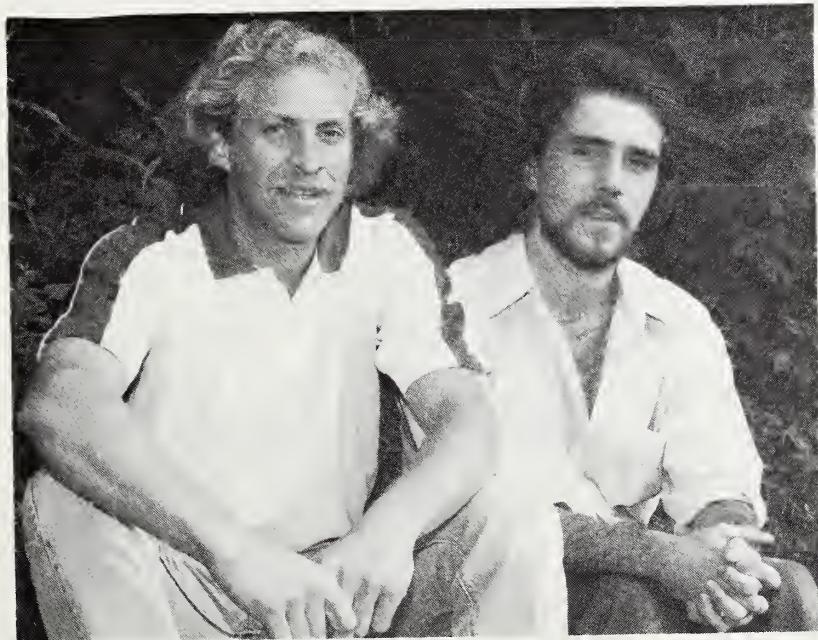

This committee of DCGA has the potential to initiate interaction between the various groups on campus. Intramurals, special recreation events, and activities such as run-for-fun help improve relationships on campus. This is an exciting and unique approach to getting involved.

Contact: Jennifer Owens, Box 1533

RULES COMMITTEE

This is a subcommittee of the Student Senate, composed of ten elected Senators and four students at large. The Rules Committee is responsible for running all school elections, making constitutional amendments, policy changes, and approving student organizational constitutions to DCGA. Anyone interested may run.

Liz McClellan, Box 1139

SOCIAL COMMITTEE

This is a committee consisting of both student senators and students appointed by the committee chairpersons. We provide a great number of social activities for the Denison community, such as concerts, coffee-houses, and all-school socializers. In addition, we allocate funds for dorm parties, sock-hops, and many more activities. If you are interested in helping us, contact:

Greg Morris, Box 781  
Jay Pollock, Box 653

This event brings together dance, music, theatre and visual arts for a show of talent, work, and ideas.

MODEL UNITED NATIONS

The National Model United Nations Club (N.M.U.N.C.) originally represented Denison University at the N.M.Y.N. Simulation held in New York City the spring semester of 1976. Since that time, Denison has participated in both the 1977/1978 national simulations, and, in 1979, we were members of the Harvard University simulation.

Throughout the week-long session, many controversial issues of international concern are breeched in the formal atmosphere of discussions, debate, and eventual negotiations. Approximately thirty students have the opportunity to work with a variety of schools encompassing the whole of the United States.

Preparation consists of researching assigned nations and/or cooperating in on-campus fund-raising ventures to help defray costs.

Denison was the recipient of the "Outstanding Delegation" award in 1976-1977 and individual honorable mentions in 1979.

Chairperson: Nell Swoish, Box 2185

These officers are nominated at large from the six sororities. The president and vice-president serve two years on the council, the second year they hold office. These two offices are on a rotation basis among the sororities. Rush is organized and overseen by Panhellenic council. The council organizes sorority formals, Greek Week, and fund-raising events for charity. It also supports educational symposiums and many events that are relevant to all women's lives.

Prior experience with water polo fundamentals is recommended, but we welcome enthusiastic newcomers.
